WASHINGTON, Nov. 13.-Preparations by the Government for reinon their return have been hastened by the signing of the armistice. Although regulations have not yet been of the 4,250,,000 men in the military or naval service now holding voluntary Government insurance will be permitted within five years after peace is declared to convert it without further medical examination into ordinary life, twenty-payment life en-dowment maturing at the age of sixty-two, or other prescribed forms of insurance.

ly high.

The Government will arrange to collect pdemiums monthly, if men wish to pay this way, er for longer periods in advance. This may be done through post offices. The minimum amount of insurance to be issued probably will be \$1,000, and the maximum \$10,000, with any amount between those sums in multiples of \$500. There will be provision for payments in case of disability as well as death, according to the tentative

This insurance will be arranged by the Government, not by private companies, and the cost is expected to be at least one-fourth less than similar forms offered by private agencies. The low cost will result from the fact that the Government will pay all overhead administration expenses, which for private companies amounts to about 17 per cent, of premium receipts; will save the usual solicitation tees, and in addition bear the risk resulting from the wounding or weakening of men while in the service. Private companies would not write insurance on many wounded men, or their rates would be unusual-
